Dear Ms. Mooney and SWTCTA,

I wanted to take a moment to thank you for your donation of Gift Cards for Christmas Assistance for families in need. Your gift cards went directly to local teenagers as Holiday gifts. Here at the NORWESCAP Family Success Center, a non-profit community action program, we provide all families of Phillipsburg free services, help, and information. We collaborate with Warren County social service agencies and the school district and work to connect families and individuals with any needed social services. In the past two years we have worked with over 500 families a year.

The NORWESCAP Family Success Center and Salvation Army are happy to report that we have assisted over 400 families and 1,100 children with Holiday Assistance this year which included toys, clothing, and gift cards. This is more than double the 512 children who received gifts last year. This would not have been possible without the generous donations and support from community members, individuals, and businesses like yours. It has been a pleasure to make the holidays a little brighter for so many people.

We cannot thank you enough for your donation; it is people like you that can make a difference in the lives of those in need.

Thank you again for your generosity.

Sincerely,

Jessica L. Konzelmann, MA Candidate
